SRI K. PUTTASWAMY.— Regarding taking the accused handcuffing them to K. R. Hospital, I would ask the Hon. Minister. Am I to agree with the hon. Minister that in Mysore City there are not sufficient number of vehicles to take the accused for treatment to K. R. Hospital and bring them back? My inference is that among these accused, Baba and Thimma against whom the police have stated that they have been taking active interest in the case of assault I am yet to believe because of their failing, Baba and Thimma have been taking active interest in this trouble. The police have intentionally taken these accused handcuffed from South Police Station to K. R. Hospital and from Hospital to South Police Station *via* Railway Station road which is a very busy area where large number of labourers live, with a view to humiliate those persons.

SRI S.M.KRISHNA.–I would like to agree with the hon. Member that there is no dearth of Police vehicles in Mysore City. This is an incident which has happened within the Municipal limits of Mysore City. So he asked me the question whether there is any dearth for police vehicles. But so far as handcuffing of the persons are concerned, we have already instructed the concerned officers to look into it and take necessary action.
